Hove, 16 July 2021

Dear Simon and Sarah,

I'm very pleased to hear you decided to use our company for alteration work in your new house. We are delighted to work with you again and we will make sure that all the projects are completed within agreed timescale and budget.

As agreed the works will include addition of a small TV / snug room on the ground floor, construction of a new car port, ground floor extension on the main house facing the garden and canopies on the annex and main house, both facing the garden.

Once again thank you very much for your custom.

Kind regards,
