|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Comments: | Lindfield Parish Council has no objection to this application but questions whether installing a wood burning stove is appropriate noting the evident radiator heating throughout the property. In particular, whether this meets DP 39 "Demonstrate how the risks associated with future climate change have been planned for..." and health concerns relating to particulates produced by burning solid fuels. |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Kind regards
