Artwork - Approval

Once you have checked and are ready to approve your artwork, you will need to confirm to us in writing that the artwork produced on your behalf is correct.

Please ensure that you check the following before giving your final approval:

Typeface / Font
Layout & Sizes
Quantities
Colour References
Spelling / Grammar / General Content
Product Type / Specification

If all of the information is correct and you wish to proceed, please confirm by completing the information below and emailing this page along with your approved artwork by return email.

I can confirm that this artwork package has been checked / approved and on behalf of my organisation I am authorised to request that you commence production of these works.

SIGNED:_____

PRINT:_____

TITLE:_____

ORGANISATION:_____

REVISION:_____

DATE:_____

IMPORTANT

Please be aware that once artwork has been approved, any further amendments that may be required will incur additional charges and delay the delivery of your order.

Vectored Formats:

These allow information to be scaled to any size with no loss of quality. Vectors are commonly used for the design and production of logos, fonts, scaled drawings, illustrations and signage.

All logos etc should be supplied as a fully vectorised file.

We accept AI (illustrator), EPS (Encapsulated Post Script) files and vectored PDF's.
