Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The application is to support youths who are not fit to be housed within a local community such as Scaynes Hill. The proposal is to support young males who have displayed sexually harmful behaviour, and with a village that contains a nursery and school to year 6, it is not right that young families should be exposed to potentially harmful individuals.

Kind regards
