Good afternoon Emma,

Following your comments as set out below, the applicant is getting a landscaping plan prepared.

However, they have provided the attached report submitted as part of the application and have asked if this is sufficient for the Tree Protection Plan?

Many thanks

Joe

Dear Joe,

I have had a look at the information provided and find that it insufficient to be able to discharge the condition.

A Tree Protection Plan and a Landscaping Plan is required. Please could you request these?

Kind regards

Emma
