Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The new cladding is a very welcome addition. It's in perfect keeping with the period of the house, and only enhances the beauty of the high street. And although the car port isn't in my line of sight, I'm unaware of any reason to object, seeing as it will relieve the significant parking congestion on the high street and increase the safety of a mother and her baby.

Kind regards
