Dear Joanne,

Thank you for consulting the Flood Risk and Drainage team on the above application.

The team have reviewed the information submitted in support of this application and can provide the following comments.

The application is supported by a drainage strategy dated Nov 2024 which relates to a previous application at the site.

An updated report, based on the current development layout, will be required at this stage of planning.

Following receipt of the updated drainage strategy the team will be able to provide a more formal consultation response.

Best Wishes
