Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I have supported Burgess Hill Town football club for 30 years and view the club as an asset to the town. The current pitch and ground facilities need improving not just from the football perspective but also to support the club's ambition to provide a facility of even greater and more general benefit to the community.

Kind regards
