Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	In a town that has become absolutely derelict and neglected we need something to be proud of. With rampant antisocial behaviour, a crippled town centre and an infrastructure that third world countries would look down upon, our thriving sports team is pretty much the only thing we have left to be proud of. Let's support this and help them to survive and thrive.

Kind regards
