Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Ground improvements will benefit the BHTFC teams as well as the residents in the vicinity. Particularly those improvements to minimise floodlight pollution and sound. This is also an opportunity to support an organisation that supports the local community in so many ways. This is particularly paramount while MSDC continues to support the Joint Venture with NRR vis-a-vis the redevelopment of the town centre.

I hope that MSDC will consider this application favourably.

Kind regards
