Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Strongly object to the change of use from A3 to A1 with extended hours at weekends, especially a mini mart located in a prime area in the heart of the town, just at the end of an affluent family road with lots of young children. I object to the change of hours to unsociable hours, which will allow more loitering, noise, mess and nuisance. The shop is not in keeping with the community and the family feel that we want for our town. The introduction of late-night trading at this location risks further shifting the tone of the area

away from a daytime, community-focused high street towards a late-night convenience economy.

Kind regards
