Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this development in the strongest possible terms on the grounds that we do not have the infrastructure, in the shape of schools, doctors, hospitals, to name but a few. The roads in this area cannot take the traffic this will cause. It is highly irresponsible and downright dangerous!!! I moved to Crawley Down in June 2023 and until today have still

never managed to see a Doctor at our practice due to the shear demand the appointments are not available. I constantly have to use the walk in centre at Crawley

Kind regards
