MID SUSSEX DISTRICT COUNCIL

DM/25/2364

**Beech House, Deanland Road, Balcombe, Haywards Heath, West Sussex, RH17 6LX,
Beech (T1) - crown thinned by 30%.
Ms Jaclyn Stoneham**

The proposed work is as described. The description has been amended as fruit trees and hedges do not need to be included on a TCA notification, so only the beech tree was required.

T1 is a beech tree in the front garden of the property. It is visible from the main highway.

The proposed work would thin the crown of the tree by 30%, which will allow more light through the crown and would be good management for this tree.

No objection is recommended.

Decision: No Objection
