Hi Debbie

Yes that's ok - I agree to an extension of time to 25/8/17.

I don't think the fence will run in a straight line behind the vegetation without removing quite a lot of it. Also will highways maintain the area between the fence and the pavement?

Regards

Paul

Dear Mr Gosling

I write with regards to the above planning application which is pending consideration.

Please be advised that I have not yet received any comments from WSCC Highways department. In addition I am also awaiting comments from Emily Wade who is on leave this week.

Therefore please could we arrange for a further extension of time to determine the application, say the 25th August, which is a week on Friday.

From a planning perspective, I have some concerns that the proposed close boarded fence will appear visually imposing within the street scene, and therefore it may be preferable to site the fence behind the existing vegetation. However I shall await Emily's and Highways comments.

Please do not hesitate to contact me should you have any queries regarding the above.

Kind regards

Debbie.
