Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application

Reasons for comment:

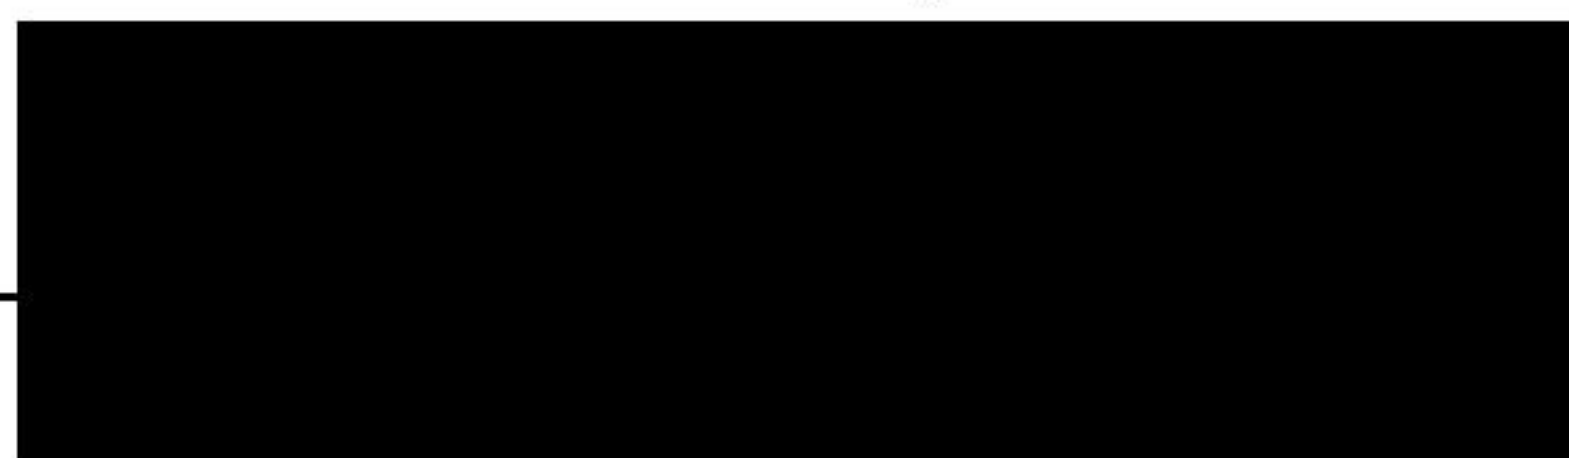

Comments: We wish to express again our strong support for the renovation of Marlow House. We recall the building when it was in a neglected condition, and the transformation you have achieved is exceptional and of a very high standard. The works have significantly enhanced the appearance of this part of Lindfield High Street.

It is clear that substantial care and investment have gone into restoring the property to a high specification, in a manner that is both sensitive to the character of the High Street and sympathetic to the surrounding listed buildings.

The landscaping and works to the rear of the house are equally well considered and have improved the appearance of the rear of the terrace when viewed from neighbouring properties. The rear design blends well with the historic character of the building.

Overall, this is an exemplary renovation which has meaningfully enhanced this stretch of Lindfield High Street and, as your neighbours, we offer our wholehearted support for the works done.

With best wishes,

Kind regards
