Dear sirs

Re-Application – DM/24/1590 273 London Road, Burgess Hill
Concerning: Design And Access Statement,

Description: Removal of 1st floor vertical tiling and application of masonry render to all external walls. Insertion of new double glazed windows into reshaped and existing opening and newly formed openings

Use: The property consists of the 6 flats.

Amount, Layout, Scale, Landscaping, & Access: No alteration & Not applicable

Appearance: External walls of the property have been rendered, with all windows being new in uPVC.

Sustainability: All walls, roof and floor have been insulated internally up to the standards required by building regulations requirements. All windows will have a u value of U-Value 1.6W/m²K which is of a greater value than windows being replaced.

Yours faithfully,
