Dear Rebecca

**Re: Installation of a 23.8m high lattice mast with associated equipment and works on Land Adj to Rocky Lane, Sandrocks, Ansty & Staplefield**

**Our Ref: LGW5763**

Thank you for your email dated 12 February 2025, regarding the above-mentioned proposals.

I can confirm that the installation of a 23.8m AGL lattice mast with associated equipment and works at location 532514,122168 and as shown on drawing number S5-11-00-03-MD003 Rev 3, 'West - Elevation Proposed' and dated 31 October 2024 is acceptable from an aerodrome safeguarding perspective.

If the height or location changes, I would be grateful if you could reconsult us, thank you.

Please be advised that the advice given is informal and without prejudice to the consideration of any planning application which may be referred to us pursuant to Planning Circular 01/2003 in consultation under the safeguarding procedure. It cannot be assumed that any response to consultation under Planning Circular 01/2003 will necessarily coincide with the informal advice now given. We will not have any liability to you or third parties who may follow this advice.

It should also be made clear that provision of this advice does not constitute support for the development nor an opinion that the development is acceptable under local planning policy.

If you have any queries, please do not hesitate to contact me.

Yours sincerely

Amanda Purdye, Aerodrome Safeguarding Officer  
For and on behalf of London Gatwick
