Hi Arthur,

Having looked at your application for a non material amendment, I am of the opinion that the proposed changes are material and therefore require a section 73 application to vary a condition (condition 2 approved plans) to the new proposed plans. Alternatively, a new householder application with the proposed change could be submitted.

Unless you choose to withdraw the application by the end of Tuesday 20th May, I will refuse the application on the 21st May.

Kind regards

Peter
