Good Morning Hamish,

Thank you for your email. Having discussed with our client, they are happy the site boundaries as submitted within the planning application are correct, the proposals are entirely within their boundary, and therefore a Certificate A (as submitted) is correct.

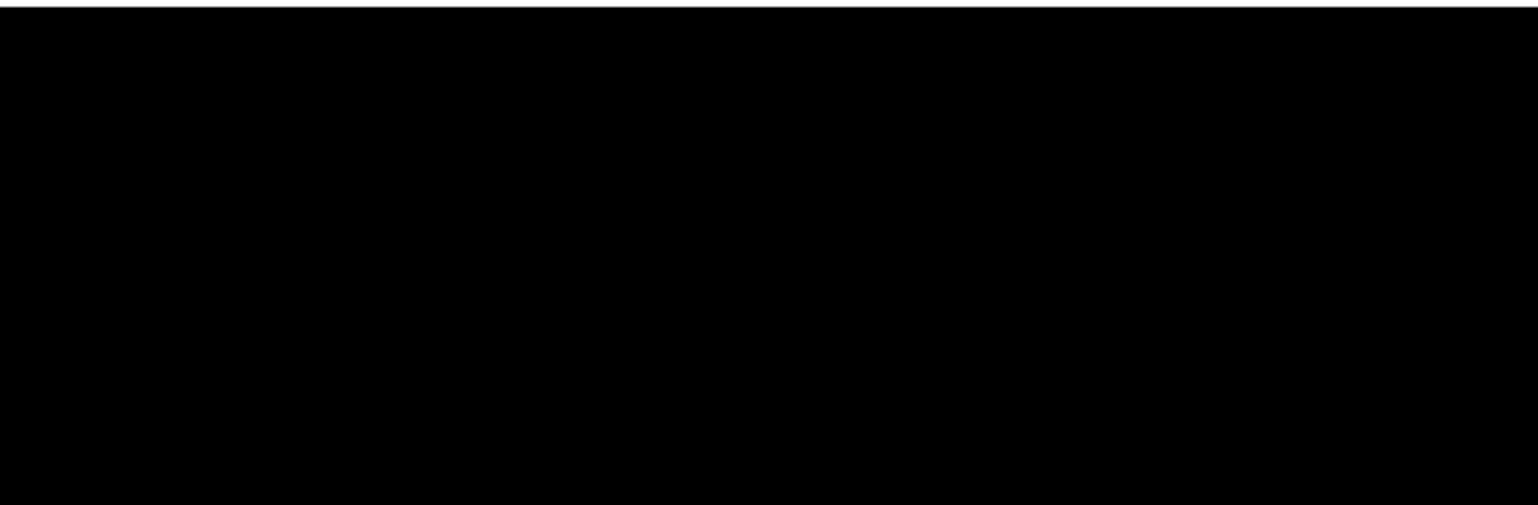

Any issues, please do not hesitate to call/ email.

Best Regards,

Stephen

Dear Stephen,

I hope all is well. Regarding the above application, a representation letter has been received that states that the land within the red line is not wholly within the ownership of the applicant. Ownership Certificate A has been submitted with the application which states that the land is wholly under the ownership of the applicant, please can you confirm this is accurate?

Thank you,
Kind regards,

Hamish Evans
