Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I believe this planning to be in the interest of the local area, as it will provide year round access to the latest growing sport for all ages and abilities. It is an excellent way to meet others and stay active. I only took up the sport five months ago and struggle to access courts that are affordable and available regardless of the weather. They are also be a fantastic facility for local schools to associate with.

Kind regards
