Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	There are events during the year for general public that are attended from people all over the South and even further away, they will all benefit from secure parking, and better toilet facilities and then not to forget the annual gathering of thousands off the

Churches members each October month from all over the world.
The better facilities are very much needed.

Kind regards
