Dear Sir/Madam

Reference: DM/26/1520

Proposal: Conversion of existing garage and machinery store into residential annexe ancillary to main dwelling, with a new clay tile roof and roof light windows.

Location: Grove Farm Cansiron Lane Ashurst Wood East Grinstead

I am writing with regard to the above application.

The Council is required to determine whether the application should be accompanied by an Environmental Impact Assessment in accordance with Regulation 8 of the Town and Country Planning (Environmental Impact Assessment) Regulations 2017.

The site is within the High Weald Area of Outstanding Natural Beauty which is defined as a sensitive area in regulation 2(1). In the opinion of the Local Authority, the proposed development would not be likely to have a significant effect on the environment by virtue of the factors such as its nature, size and location.

Accordingly the Local Authority directs that the development for which planning permission is sought by the application reference number DM/26/1520 is not EIA development. Consequently, no Environment Impact Assessment is required to be submitted with the planning application.

Yours faithfully

Eric Owens
Interim Assistant Director Planning and Sustainable Economy
