Subject: DM/25/0240 - Woodside Grange Woodland Road Hassocks West Sussex BN6 8EX

Dear Anna,

Many thanks for the additional information.

I note that most of the trees are native. However, some are short lived. Would it not be possible to replace one or two of the birches for field maples? There is an upright variety, Acer campestre 'Elsrijk' if space was a consideration.

Other than that, the others are acceptable.

Kind regards

Emma
