Reasons for comment:	
Comments:	I'm writing to say I support this application by tanvi and nick we have not long lived in the area and they have been nothing but outstanding as shop keepers nothing is ever too much trouble and sometimes if they haven't got what you require in stock at that time they will organise and get it in stock for the next time you need it ...I can only see this extension being a good thing for the village allowing them to stock more items that we all need

Kind regards

Barry

Kind regards
