Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I fully support the planning application. The village serves as a busy through road at peak times, similar to other Sussex villages like Hurstpierpoint and Ditchling. The improved utilisation of the internal space will not lead to an increase in traffic. Instead, it will enhance the village amenities and, more importantly, improve the living space for a family that has consistently supported the local community.

Kind regards
