Reasons for comment:	
Comments:	I fully support this application. This family are huge supporters of our village and a shining example of community spirit. They can't help you enough and i have personally witnessed the way they support customers who may not be able to get to the shop personally due to their age or mobility issues. They went above and beyond during the pandemic. Everyone in the village soaks very highly of them and i for one would find it very beneficial to have more selection in their shop that an extension would bring so

that i can walk to their premises as opposed to having to get in my car and drive to Cuckfield.

Kind regards
