Customer Details

Address: 5 Coopers Wood London Road Handcross

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Amin family absolutely have the right to extend their home. It will not effect anyone else directly and will have no negative impact on the already busy high street The Amins have contributed to the village for many years and help local people especially the elderly in ways far beyond what is expected by a local establishment

Kind regards
