Reasons for comment:	
Comments:	This shop is vital when the shop in my own village is closed. They are open hours many are not and the fact that they are a family business is a bonus for me. Big chains have big budgets and this independent store should be supported above all others in the village. Parking is already a nightmare so an expansion of the shop won't matter - if you were going to this shop anyway does it matter the

size of it?

Traffic etc... it's a main through route and subject to many directions being passed through this way so that makes little difference when considering the traffic/size of the shop.

Personally I think it's a wonderful shop, a great idea to expand not only it but their living quarters too.

This is their home and their livelihood- don't take it away from them. Please.

Kind regards
