Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I support this project which aims to enhance a vital business in the village whilst at the same time allowing the owners to retain a decent living space. Independent businesses need encouragement and the fact the owners want to invest in Handcross should be applauded. Nikki and Tanvi have been serving the community for years and were a vital service during lockdown. The lack of parking is not for them to fix and did not

seem to be an issue when Budgens developed their store a few doors down.

Kind regards
