Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The shop is a valuable part of Handcross's village community, and has been for many years. Its extension will enable it to compete with the newly opened Budgens on a more level playing field. Denying the application may well result in the shop being put out of business, which will also result in Budgens having a monopoly on groceries in the village, which will be bad for the consumer.

Kind regards
