I fully support this application.
I have lived in the High Street for over fifty three years and for the last seventeen Nick and Tanvi have been the proprietors of Handcross Newsagents serving the local community for three hundred and sixty three days a year. Following the closure of Spar Post Office store in September 2022 Nick and Tanvi extended

their grocery stock to help the community. The recent opening of a Budgen's store in close proximity has caused a loss of trade to the applicants and they no doubt must expand or die.

I take issue with the parking concerns of the objectors.

There are currently seven shop premises in the High Street with customers competing for parking spaces. This application will not change the demand for spaces one way or the other.

When Nyman's car parks are full the surrounding roads are used as an overflow carpark. When seasonal events occur this parking can extend to the north end of the High Street to its junction with High Beeches Lane.

I FULLY ENDORSE THE ITEMISED REPLY BY C & N
NANDLALL TO THE COPY AND PASTE OBJECTORS
COMMENTS.

Kind regards
