Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The Amin Family have lived in Handcross for nearly 19 years and have now become an important part of village life. During the Covid lockdowns the shop continued to be open and the family delivered newspapers and by so doing were able to check on some of our older residents and ensure that they had no problems. Nymans means that the High Street is full of cars at times and the occupants do not return for at least 2 hours. I do hope that this application is approved - Handcross needs more generous and hard working families like the Amin family and we should all be supporting them

Kind regards
