Subject: Planning Application - DM/26/1067 - 57 The Broadway Haywards Heath West Sussex RH16 3AS

Dear Sir/Madam

I am writing with reference to the above application as I am the leaseholder of Flat 2, 59/61 The Broadway the property next door.

I write to disagree with the planned changes in their entirety ! The scope of the building work is so extensive that it would cause extreme problems not only for my Tenants who live there because of the noise nuisance but also there is no parking available for vehicles and deliveries of major building materials would cause havoc in the already ultra busy Broadway.

There is already a complete eyesore at the base of our building which used to be Cote Restaurant but is now boarded up looking simply dreadful like a third world country. They probably left the property as they heard about the building planned for the next door.

I trust Mid Sussex would appreciate the problems this application will cause and refuse planning.

Yours faithfully
