Customer Details

Address: Vox End Barn East Grinstead

Comments Details

Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Object on the grounds of continued drain on local resources.

Recent power and water supply outages can only increase without considerable infrastructure investment.

Reduced impact with grey/rain water harvesting and solar/wind electric generation for this development would reduce this impact, the cost to be covered by the developers

Kind regards
