Comments Details

Commenter Type:	Neighbour or general public
-----------------	-----------------------------

Stance:	Customer objects to the Planning Application
---------	--

Reasons for comment:

Comments:	The development was passed with the solar panel associated. Surely our already stretched electricity supply (numerous power cuts throughout the year) will be even more stretched. We rely on just oil and electricity for our energy. We do not have the luxury of back up gas for cooking or heating, so the additional drain on electricity will once again be a concern especially for the elderly and families with children.
-----------	--

Kind regards
