| Reasons for comment: |                                                                                                                                                                                                                                                                                                                                                                 |
| Comments:            | Change of plan at last minute putting strain on the already minimal amenities. The local sewage/drainage system is already at capacity and cannot support this additional development. The local electrical grid has insufficient capacity to support additional homes. And the current roads cannot handle more cars. Traffic is already bad during rush hour. |

Kind regards
