Comments Details

Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: You will already be aware that local residents have objected to the constructions of 108 new homes on the old brickworks site, not least because of traffic and access issues, but these objections have been ignored. I am now most concerned that planning approval is to be changed to remove condition No 31 for the requirement to install solar panels. This must be to save money and will put further pressure on our already stretched infrastructure. Please re-consider this change.

Kind regards
