Reasons for comment:

Comments:	This is an over development on a relatively small site. The impact on the village will be increased traffic and associated pressures on services already at capacity eg. drains, water pressures, Broadband supply. I could go on more about the nitty gritty day to day pressures!! The height of the development is surely out of keeping and will tower over all the surrounding buildings. How is this an acceptable

invasion on existing domestic privacy.
THIS CANNOT BE PASSED IN ITS EXISTING FORMAT.
