Details of the pre-application advice received

- the first floor extension should be subservient to the existing house;
- the first floor extension should be reduced in size and height;
- there are views of the site from the public right of way to the south of the site and these views would be towards the Conservation Area.
- the proposed extension would result in the existing dwelling being unduly dominant within the views towards the Conservation Area from the public right of way to the south; and
- in terms of the enlarged garage it would remain a modest single storey nature and its roof design would be an improvement to the existing.

(b) an elected member

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
