[REDACTED]

Dear Sir or Madam,

This application addresses many of my concerns raised in the previous application. Particularly with regard to access through Wychwood Place. In this application all non emergency traffic would use Hurst Farm entrance/ exit. Not using Wychwood council recognised inadequate drainage system.

The new location for the Care home is much more appropriate, being near to bus stops in both directions.

Not using Wychwood as a cut through will bring many benefits for residents, including fewer avoidable accidents.

Less pollution from traffic and heavy good vehicles.

There are no pavements for part of the Wychwood road and a sharp bend which is not wide enough for two vehicles to pass. This new application has my full support.

Yours Sincerely, Wychwood resident.
