Hi Anna

Thank you for your call and for your email

The applicant has agreed to the extension to the 18th April 2025 but we would raise concern with the time it is taking the drainage team to review this project as it has been Validated since the 19th December 2024 so by the 18th April that will be some 17 weeks that they will have had opportunity to comment. Obviously if their comments come in sooner then we would appreciate a quick turnaround on the decision.

Thanks

Kind regards

Jon
