Hi Catherine

Comments on the above discharge of conditions application.

Condition 3 (Materials): Whilst the materials shown are acceptable, the document refers several times to a particular product 'or equivalent'. The applicant does need to be precise about the product it is proposed to use, so can they please confirm that the materials shown are those that will be used, and remove this terminology from the materials schedule, for clarity.

The applicant should also confirm the materials for all new windows and external doors.

Thanks,

Emily
