Dear Sir/Madam

Reference: DM/24/3104

Description: Temporary agriculturally-tied caravan accommodation.

Location: Sandhill Farm Sandhill Lane Crawley Down Crawley

With reference to the above planning application you will be aware of the importance to the Council in determining applications according to the Government's timeframes of 8 or 13 weeks. However, under the provisions of the Town and Country Planning (Development Management Procedure) (England) Order 2015 under Section 34 (2)(c) it does allow the Local Planning Authority and the applicant to agree an extended period to determine applications:

http://www.legislation.gov.uk/uksi/2015/595/pdfs/uksi_20150595_en.pdf

I seek agreement with you to further extend the period available to determine the application to 6th March 2026 for the reason(s) noted below:

1. Awaiting consultation response from the Councils Drainage Engineers in relation to the drainage information submitted to prevent a pre-commencement condition.

I would be grateful if you could confirm, in writing or by email, your agreement to this extension for the Council's records.

Yours faithfully
