Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the planning application as I don't feel we need anymore convenience stores in copthorne as we already have 3 , one of which would be right next door to the proposed development & would also cause more traffic on copthorne bank , which is already a very busy road , however we do not object to the proposed flats .

Kind regards
