Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	I note this planning proposal includes primary pedestrian access using land between the rear of existing gardens in Oakhurst and Christs Church Sayers Common. In the interests of security and privacy, if this planning proposal is accepted, suitable fencing will be be provided at the boundary of the existing properties. There is currently a surface water land drain which runs between

the properties and indicates a west to east flow, this currently,
overflows and runs south into Oakhurst. Will this be addressed?

Kind regards
