Subject: DM/26/1297 - Land Adjacent to Bolney Substation

Dear Andy,

Following our planning meeting this evening, the council have the following comments;

DM/26/1297: Land Adjacent To Bolney Substation, Bob Lane, Twineham
Application Type: Removal/Variation of Condition
Desc: Variation of condition nos 12 and 27 relating to planning application DM/26/1068 (original application DM/23/0769) Condition 12 – rectify error on decision notice whereby condition 12 currently repeats condition 11. Condition 27 – amendment to the proposed site layout.

BPC: The Parish Council object to the new site layout due to concerns about emergency access. MSDC need to ensure that West Sussex Fire and Rescue Service are satisfied with the new arrangements in view of the low level of accessibility to water supply in this area for firefighting.

Kind regards

Debbie Thomas
