Reasons for comment:	
Comments:	As a player at Keymer and Hassocks Cricket Club, I fully support this planning application. It will improve local community cricket provision in the village and allow the club to go to the next level for our 40+ adult and 120+ junior members, including our fast growing girls' section. It is essential for KHCC to keep pace with other clubs as we have lost junior players to other clubs who have this same provision. The club has shown its own commitment to this project by self-

funding over 26k and by securing grants worth circa 38k.

Thank you for your consideration in this matter.

Kind regards
