Reasons for comment:	
Comments:	As a parent of players at Keymer and Hassocks Cricket Club, I strongly support this planning application. The proposal will significantly enhance local cricket provision within the village and help the KHCC continue its development for the benefit of its 40 adult members and more than 120 junior players, including a rapidly expanding girls' section. These improved facilities are vital if the club is to remain competitive with neighbouring clubs, particularly as we have

already seen some junior players move elsewhere due to the availability of similar training provisions.

The club has clearly demonstrated its commitment to the project, having already contributed over £26,000 in self-funding and successfully secured approximately £38,000 in grant funding.

Thank you for taking the time to consider this application.

Kind regards
