Dear Cathrine

[REDACTED]

My neighbours informed me a planning application was out side the New Farm House, which is removed, first application.last week,when I returned

Please May I say?

The proposed new build will be 45 feet high or more look unsightly, huge beside my small bungalow, on lower ground

Shut out light right to light, winter sunlight, sun low in sky and a small ark , so will cut out warmth?Also light, The plans UN NEIGHBOURLY, and damp mould will grow as ten foot hedge and fence.

The many large windows look across house a garden.lack of privacy.

New path for front door opening to my garden,

over looks my garden, unlike other homes in Stonepound Road, face the road.

The detritus fill in of their land next to my homecould be hard to remove.

The Mid Sussex District was not clear too any plans would happen, only manage basics on my iPad.

First planning on building not placed Why? This first application removed last week or before
