Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: Further to reviewing the application documentation, we are fully supportive of the scheme which is a lovely architectural solution to the dwelling. The collective gain and benefit to the public domain clearly out ways any harm as there is no physical loss of historic fabric. The crafted design and contemporary look is both

sympathetic and complementary to St John Lodge. The design is very attractive and enhances the existing dwelling.

Kind regards
